**FREE Conference for Educators and
School Personnel.**

February 4, 2012—9:30 - 3:00

Guardians for New Futures continues to support children who are victims of abuse, abandonment and neglect and to educate the community on abuse issues. This program is designed to help teachers and school personnel recognize abuse and neglect and report effectively. Teachers have a powerful role as mandated reporter's and can be a life line for children who are victims. Please see our website www.gfnf4kids.org for complete agenda.

Every child deserves to be heard.
