Nonprofit donates to Kits4Kids

The Pan American Roundtable of the Treasure Coast, a not-for-profit organization of women who award scholarships to deserving, low-income

young adults, has partnered with the Guardian ad Litem Program to support the children served in the 19th District. The Pan American Roundtable donated to the Kits4Kids program, which provides a new, good quality backpack stuffed with age appropriate school supplies for each child. New school supplies help these children feel dignified and normal, and start the year off on the right foot.

The Kits4Kids Drive supports children who have been removed from the home due to abuse, neglect or abandonment and are living with relative or friend caregivers. These children may not have access to some of the resources children in "paid care" receive.
