Announcing GUARDIAN AD LITEM ANGELS HOLIDAY GIFT DRIVE

Guardians For New Futures (GFNF) is seeking individuals and organizations to help **sponsor a child in need during the holiday season. This is a wonderful way to help neglected, abused and abandoned children during the holiday season by fulfilling a child's holiday 'wish'.**

You can sponsor a child or children for the holidays by simply **providing a gift(s) on the child's "wish list"**. **To sponsor a child or children please call 772.807.3868 or fax a request to 772.807.3869** indicating how many children you would like to sponsor. We will then send you a copy of the child's wish list and additional information regarding deadlines, drop off locations, and tax exemption information. If you prefer, you can make a donation to the program through our web site at www.gfnf4kids.org and we will purchase gifts on your behalf.

We hope that you, too, will become an advocate for these children by providing them with a sense of normalcy through the simple act of a gift without strings.

Please consider passing this information on to a friend, family member or any organization with which you are affiliated. **We have approximately 1,400 children currently in the 'system' due to maltreatment.**

We look forward to your support.

Sincerely,

Debbie Butler
President, Board of Directors
